A plan built around you.

YOUR AGENT

I'm Sam Fontaine. Our first conversation starts with you: what matters about this move, the timing you have in mind and what makes your home special. Together, we'll shape the plan around those priorities.

OUR APPROACH

A clear plan, thoughtful preparation and a personal introduction to the right buyers. We will work together on the details that make your home stand out.

Your home, beautifully presented.

A place to
discover. A
reason to enquire.

Your property website, social
posts and printed details
will tell the same story, with
a clear way to get in touch.
